Do You Love Your Dog? Then License Your Dog!

Approximately 15 million dogs enter shelters each year as strays and only 19 percent of them return to their owners. On average, 2,000 pets from the City of Vacaville are taken in by the Solano County Animal Shelter each year. A licensed pet increases the possibility of your pets return and decreases the potential loss to your family. Licensing also helps prevent pet-overpopulation and starvation.

An application for registration can be picked up at one of the following Vacaville locations: Vacaville City Hall (650 Merchant Street), Vacaville Police Department (660 Merchant Street), Animal Care Center (1100 E. Monte Vista) or Solano SPCA (2200 Peabody Road). In addition to the application form, a certificate of current rabies vaccinations and a spay/neuter certificate is required. These forms and a check or money order (Payable to: Solano County Dog Licensing) can be mailed to:

Solano County Dog Licensing
4160 Suisun Valley Rd
Suite E PMB 428
Fairfield, CA 94534

Please include the following information with your application:

- ✓ A copy of a current rabies vaccination certificate.
- ✓ Spaying or neutering proof from the veterinarian.
- ✓ A check or money order payable to: Solano County Dog Licensing.
