“NIGHT AT THE MUSEUM” KICKS OFF “MOVIES UNDER THE STARS” SERIES

The Community Services department will kick off this year’s “Movies Under the Stars” series this Saturday with “Night at the Museum.” This family-friendly movie features Ben Stiller as a night watchman at a museum where the exhibits “come to life” once the doors close. The movie also features Robin Williams as Teddy Roosevelt.

Pack up the family and head on down to Andrews Park for this free event open to the whole community. The movie will begin at dusk - and be sure to bring your blankets and chairs.

An added feature to this year’s event is a contest where kids are invited to dress up like one of their favorite characters in the movie. There will be lots of interactive fun throughout the evening with prizes being awarded for the most creative costume!
