

# Stormwater Hotline

## 1-707- 454-5770

Please help us prevent pollution of our creeks, waterways, and groundwater by reporting pollutants in the stormdrain.

### Call the hotline to report illegal dumping of...

- Motor oil, antifreeze/transmission fluid
- Paint, concrete, mortar
- Trash covered storm drains
- Cooking grease
- Mud, dirt, & gravel
- Any situation that may pollute storm drains, local waterways, and creeks

Dispose of Household Hazardous Waste Properly!

The Household Hazardous Waste Facility is open every **Saturday** from 9 a.m. to 3 p.m. and accepts oil-based paints, solvents, pesticides, herbicides, aerosols, gas, auto fluids, and other household toxics. Located at the Vacaville Sanitary Service Recycling Center, 855 1/2 Davis Street. No appointment necessary.

**Remember, “Only Rain Down the Storm Drain!”**
