VACAVILLE CHILI CHALLENGE HEATS UP IN DOWNTOWN VACAVILLE

There ain't no beans in Texas Style Red Chili - at least not the version that will be coming to Vacaville on August 16 for the first-ever International Chili Society (ICS) sanctioned "Vacaville Chili Challenge" being held in Historic Old Town Vacaville and sponsored by the Downtown Vacaville Business Improvement District (DVBID).

Judging categories include Salsa, Chili Verdi, and Home Style (can include beans) and the big pepper itself Texas Style Red Chili. The winner of the Texas Style Red Chili has the opportunity to move one step closer to the ICS World Championship being held in October. The Peoples Choice award makes everyone a judge when you tell us the chili you liked best. Judging Kits will be on sale the day of the event.

Adding spice to the day's activities there will be the fire house and restaurant challenges to determine the best Firehouse and Restaurant Chili's in Vacaville and beyond. Stoves are lit at 9 am and the festivities begin at 10 am and end at 5 pm with music in Town Square by Loren Davidson, Yard Sale, Southern Comfort & "Kim Rea & the Dream Dogs."
