

VACAVILLE CHRISTMAS FUND

-- A Program of the Vacaville Fire Department --

650 MERCHANT STREET * VACAVILLE, CA 95688 * (707) 449-5452

Today..... every penny counts!

A group of citizens in the community have been working for over 35 years with the Vacaville Fire Department to help victims of disasters or who have struggled significantly due to financial hardships.

A disaster can happen to anyone at any time. The Vacaville Fire Department along with these citizens established the **Vacaville Christmas Fund**. This fund is designed to help our neighbors survive during times of tragedy. During the cold winter season, residents' basic survival needs are greater; this year will be no different. The Vacaville Christmas Fund has been able to assist some of your neighbors who found it extremely difficult to put food on their table or recover after a fire or disaster. This program issues local grocery store gift cards to Vacaville residents who have been pre-screened through community assistance programs.

The Vacaville Christmas Fund operates entirely on monetary contributions. The vast majority of our support comes from individuals making modest donations, small businesses, corporations, clubs and organizations. We continue to maintain a non-profit charitable status within the IRS 501(c) (3) guidelines.

The Vacaville Fire Department and the Vacaville Christmas Fund thank you for your consideration of a donation.
