

Proposed Project

The California Energy Commission received an Application for Certification (AFC) on 11/18/08 from Competitive Power Ventures (CPV) Vacaville, LLC for the Willow Pass Generating Station Project. The AFC is for a 660-megawatt (MW) natural gas fired, combined-cycle generating plant with two combustion turbine-generators.

CPV Vaca Station Project:

Notice of Proposed Power Plant
(Docket No. 08-AFC-11)

Proposed Location

The location for the proposed project is within the city limits of the city of Vacaville, Solano County on a 24-acre portion of a 143-acre city of Vacaville owned parcel at the intersection of Lewis and Fry Roads in a rural area within the city limits. The site location is on the southern side of Hwy 80.

Public Site Visit & Informational Hearing

You are invited to join the Committee on a tour of the proposed site and attend an informational hearing. The applicant will provide transportation to see the exact location of the proposed power plant and describe the project. The Energy Commission will explain the energy facility licensing process and ways to become an effective public participant. The public is encouraged to attend to learn about the project.

Thursday, March 12, 2009

4:00 PM –Site Visit (bus leaves)

Meet at Easterly Wastewater Treatment Plant parking lot
6040 Vaca Station Road, Elmira, CA 95625

- Since the site is adjacent to the meeting location, attendees will walk across the parking lot to view site. A bus will be available for those who require it or in case of rain. Call (800) 822-6228 for bus reservations; leave your name and indicate the number of seats needed.
- After introductions, attendees will board a bus at 4:00 PM and tour the proposed project site.
- Buses will return to the Easterly Wastewater Treatment Plant parking lot before the Informational Hearing begins.

5:00 PM – Public Informational Hearing

Easterly Wastewater Treatment Plant
Administration and Control Building, Assembly Room, 1st Floor
6040 Vaca Station Road, Elmira, CA 95625

Parking – in the lot to the West or South side of the Administration and Control Building.
