BOYS SCOUTS TO ASSIST WITH CHRISTMAS TREE RECYCLING

After the holidays are over, don't forget to recycle your Christmas Tree for composting. Vacaville Sanitary Service will be collecting trees on your regular collection day between December 28, 2009 and January 8, 2010. To prepare your tree for collection, please remove all tinsel, ornaments, lights, and stands, including wooden stands. Place your tree in or next to your green yardwaste toter.

Trees over five feet tall must be cut into three-foot sections to facilitate safe loading into the yard waste trucks. Flocked trees cannot be composted; therefore, please do not deposit them in your green toter.
