K-9 VITO is RETIRING...

Let's celebrate his years of service!

The parents and staff of Kiddie Academy will be hosting a retirement party for Vacaville Police Department's K-9 Vito. Vito and his handler, Officer Dave Spencer, have been partners for the last 9 years. They have been very active in the community teaching kids about the police department, what they do for us and how and when to call for help. To say thank you for his years of service, Kiddie Academy will be raising money to replace Vito and will be accepting donations of pet food and toys to be donated to the SPCA in Vito's name. The party is going to be a fun mix of education, food and entertainment. It will be a day to remember for families in our community!!
