GOLDEN WEST JOINS AFTER SCHOOL PRIME TIME PROGRAM LINEUP

Thanks to a growing demand for after-school activities, a third location has been added to the Prime Time after school teen program that helps young people grow into healthy adults.

Golden West joins Willis Jepson and Vaca Pena as the place for 7th and 8th graders to participate in an after school program that has been revamped to include enrichment opportunities such as art, drama, science and more.

There will also be a variety of activities, such as arts & crafts and theme weeks all in a safe, supervised environment. In addition, one hour each day is devoted to homework to help your child achieve their scholastic goals. This homework time is supervised by qualified Prime Time staff.

Registration is now open for the new school year at any community center or City Hall. Hours vary by location. The cost is \$60 per month with a one-time \$20 registration fee. For more information, please call 469-6674.
