=====

If you answer "YES" to Questions 2, 3 or 4 under penalty of Federal, State and Air District Regulation you are required to contact the Yolo-Solano Air Quality Management District (530-757-3650) and obtain approval for your activity. A Certificate of Occupancy will not be issued if you have not met the requirements of Health and Safety Code Section 25505 and 25531 and Government Code 65850.2. Those sections of the Health and Safety Code and government Code are enforced by Yolo-Solano Air Quality Management District.

Q1. Description of work performed _____

Q2. Does the business use, process or have machinery of which emits emissions or need a permit from Air Quality Management District?

YES _____ NO _____

Note: Air Quality Permits are generally required for any process, operation or fabrication which emits gasses, vapors, or dust into the ambient air. The attached sheet lists types of facilities currently under permit from the Yolo-Solano Air Quality Management District.

Q3. Is, or will, your business be located within 1000 feet of a school?

YES _____ NO _____

Q4. Will your activity involve the demolition of a load bearing wall in any portion of a building?

YES* _____ NO _____ * If YES fill out asbestos abatement form.

Q5. Is this a tenant improvement or alteration in a building that is over 20 years old?

YES _____ NO _____

I, the undersigned, certify under penalty of perjury that the above information is true and correct.

Signature of Company Representative: _____

Date: _____
