### **Narrative:**

Vacaville Police Department Detectives have been working with the producers of the television show, *Haunting Evidence*, on an episode that will feature the unsolved homicide investigation of Eric Keller. The episode has been in production for the past six months and is scheduled to air on Court TV at 7:00 PM (Pacific Time) on Wednesday September 5, 2007.

Court TV has provided an opportunity to shed some light on this investigation. We are hopeful the show will stir a memory in someone who will come forward with a significant piece of information. Maybe the facts of this case will remind someone of a person or set of circumstances which will become a key piece of information in the investigation. This show, which features psychic investigators, has the potential to create opportunities for solving this case and to bring piece of mind to Mr. Keller's family. We encourage anyone who travels the I-80 corridor through Vacaville to watch the show. If you think you may have information please call Detective Steve Carey at 707-449-5269.
