Narrative:

This evening the Traffic Section of the Vacaville Police Department conducted a DUI / Driver's License Checkpoint on W/B Monte Vista Ave. / Callen St. The results were 4- DUI arrests, 1- warrant arrest, 22- citations issued and 15- vehicles towed.

The checkpoints are conducted in conjunction with a grant from the California Office of Traffic Safety. Studies have shown that 33% of all drivers with a suspended or revoked drivers license had a criminal record, and 85% of those drivers used their vehicle in the commission of a crime. They are 4 times more likely to be involved in a fatal collision and 6 times more likely to be involved in an injury collision than licensed drivers. The Traffic Section is committed to maintaining safe roadways by education and enforcement. We conduct random checkpoints throughout the year.
