**Vacaville**—Teichert Construction will be closing **Vanden Road, from Alamo Drive to Leisure Town Road**, to complete the relocation of Solano Irrigation District pipeline improvements for the SouthTown development project. Vanden Road will be closed to through traffic on **Monday, November 5 and will remain closed for five days.**

Teichert Construction will be installing a 54” reinforced concrete pipe across Vanden Road for the Solano Irrigation District. The work is currently on schedule. Both north and south bound traffic is being diverted east to Leisure Town Road. Vanden Road will reopen on Friday afternoon November 9, 2007.

DR Horton is the developer of the first phase of the SouthTown development project.
