### **Narrative:**

On the above date and time detectives from the Vacaville Police Department's Investigative Services Division (ISS) served a search warrant at 100 Block of Viewmont Lane in Vacaville. The search warrant was the culmination of a six month investigation of Benjamin Revis by Vacaville Narcotics Detectives for sales of marijuana and other controlled substances. Vacaville Police K-9 Kora searched the premises and assisted in locating evidence related to the sales of marijuana and cocaine. A search of Revis's residence located marijuana and cocaine packaged for sale, 39 Norco pain pills, and extensive evidence of narcotics trafficking.

Revis was arrested for possession of cocaine, marijuana and controlled Schedule III narcotics for sale. This is the second narcotics search warrant Vacaville Narcotics detectives have served on Mr. Revis in the past six months. At the time of his arrest, Revis was out of custody on his own recognizance awaiting trial for an earlier narcotics arrest. Mr. Revis was transported to the county jail in Fairfield for booking.
