Narrative:

On January 16, 2009, The Vacaville Police Department Family Investigative Response Services Team (F.I.R.S.T.) received a report regarding an individual who illegally entered a neighbors residence. Investigation by patrol officers and detectives led them to identify the suspect as S-Viertel. Further investigation showed that a witness who was assisting with watching the residence went to check on the security of the residence. The witness entered the residence and found a suspect wearing only a pair of the victim's panties while masturbating on the couch. The suspect grabbed a towel and fled the residence.

Detectives have been able to determine that the suspect entered the victim's residence for the sole purpose of committing a crime to further his sexual gratification. Detectives located the suspect on January 23, 2009 and took him into custody without incident. The suspect was booked into the Solano County Jail and his bail is set at \$13,333. This case is still under active investigation.

If you believe you have a prowler around your residence or an intruder in your home you should call 911 immediately and follow the instructions of the Public Safety Dispatcher.
