### **Narrative:**

On Friday, the Traffic Section conducted a DUI saturation patrol from 8:00 p.m. until 2:00 a.m. The results were 2- DUI arrests, 1- arrest for possession of a deadly weapon and violation of probation, 5- vehicles were towed incident to arrests or driving on a suspended driver's license and 14- hazardous citations were issued.

Studies have proven that by removing impaired drivers from the roadways and towing the vehicles of those that are unlicensed, there is a significant reduction in collisions resulting in injuries and fatalities. There is also a significant reduction in damage to property. The funding for this DUI saturation patrol was partially funded by a grant from the California Office of Traffic Safety and the National Highway Transportation Association.
