Case Number
Type of Crime/Incident: Tobacco Cessation
Location:
Suspects:

Narrative:

Not On Tobacco – Help for Teens

The Vacaville Police Department, in collaboration with the American Lung Association, will be hosting a Not-On-Tobacco (N.O.T.) Youth Tobacco Cessation Group on Wednesday April 15th from 3:30pm to 4:30 pm at Country High School, Room 12.

The Center for Disease Control and Prevention (CDCP) reported in 2008 that lung disease is the number three killer (behind heart disease and cancer) in the United States, responsible for one in six deaths. It is a medical fact the smoking increases the risk of coronary heart disease and cancer.

With these risks in mind, the American Lung Association developed N.O.T., a tobacco cessation program specifically designed for teens. Teens that attend a N.O.T. group will receive the help and support they need to quit a habit that consumes their money and takes their health. They learn to take control of their lives and to make the choice to quit smoking.

Contact Ivonne Vaughn 707.449.5512 to receive more information and to register for the group.
