### **Narrative:**

On Friday, June 13, 2009, Vacaville Police Officers executed a search warrant at 3000 block of Red Maple Court and arrested the resident, Kenneth John Olsen.

Vacaville officers began an investigation in May of 2009 when they were alerted by officials with United Parcel Service that S-Olsen was mailing hundreds of envelopes to various parts of the country and using fraudulent billing codes. After further investigation, it was discovered that the envelopes contained fraudulent checks believed to have been created by S-Olsen.

During the search of S-Olsen's residence, evidence was discovered including check making software, UPS and FedEx shipping materials and international correspondence as well as numerous printed unmailed checks. The printed checks were being prepared for mailing and totaled in excess of \$500,000. Other evidence at the scene suggested that S-Olsen has been creating fraudulent checks for several months.

Anyone with information concerning this investigation is asked to contact Officer Chris Lechuga at (707) 449-5200.
