Narrative:

On the listed date and time, Vacaville Police Dispatch received a call from a witness in the 900 block of Davis Street reporting that a male tried to run a female over with his vehicle. It was later determined that the male driver, Shannan Danley, intentionally struck another male with his vehicle in the drive way of 900 block of Davis Street. Officers arrived on scene and discovered a male adult had been struck by a vehicle and violently pushed into a roll up garage door. The severe impact caused the garage door to dislodge from its tracks, sending it and the victim flying to the rear of the garage. The victim was transported via ambulance to the hospital with substantial injuries. The impact also caused moderate damage into an adjacent bedroom of the residence. After the collision, witnesses on scene said Shannan Danley exited his vehicle and assaulted the victim inside the garage before leaving the scene. The Vacaville Crime Suppression Team (CST) assisted with the investigation. CST Detectives noted that Mr. Danley was on parole and possessed an electronic ankle monitor. Mr. Danley was electronically tracked by the Vacaville Crime Suppression Team to an undisclosed residence in Vacaville. He was taken into custody outside this residence without incident.
