### **Narrative:**

On August 6, 2009 at 8:59 a.m., Vacaville Police Officers were dispatched to the area of Mason Street just east of Depot Street for a traffic collision with injuries. Officers arrived on scene and found two vehicles, a black Chevy Silverado pickup and a white Chevy S10 pickup had collided head-on in the W/B lanes of Mason Street. The driver of the black Chevy Silverado was driven by George Duckworth. Witnesses observed Duckworth driving E/B on Mason Street in the #1 and run the red light at the intersection of Mason Street and McClellan Street. He stopped at the red light at the intersection of Mason Street and Depot Street. When the light turned green for E/B traffic, Duckworth proceeded straight through the intersection. Duckworth continued straight where Mason Street begins to curve to the right toward Peabody Road. He went over the raised center divider and was driving E/B in the W/B lanes. The white Chevy S10, driven by Nicolas Elejalde, was traveling W/B on Mason Street in the # 1 left turn lanes. Duckworth's vehicle collided with Elejalde's vehicle head-on in the W/B lanes.

Elejalde was transported by ground ambulance to UC Davis Medical Center for complaint of pain and laceration to the hand. Duckworth was found to be under the influence of a narcotic. Duckworth was arrested and booked into the Solano County Jail for DUI causing injuries.
