On December 3, 2009 at 4:43 PM, the Vacaville Police Department Communications Center received a 911 call. The caller reported a 27 year old male was attacked and had his vehicle stolen from an apartment complex parking lot in the 1500 block of Alamo Drive. Officers arrived on scene and met with the victim who had minor injuries from the attack but declined medical treatment.

The victim indicated he arrived home and was unloading personal property from his minivan when he was punched from behind by Suspect #1. The victim faced Suspect #1 and attempted to defend himself. Suspect #2 and Suspect #3 joined in the attack at that time. The attack stopped and the victim made his way back to his residence. The victim discovered his keys had fallen out of his pocket during the incident, so he made his way back to the parking lot to search for them. Once back in the parking lot, he saw all four suspects driving away in his vehicle. The vehicle was driven by Suspect #3.

The stolen vehicle was described as a green 1997 Chrysler Town & Country minivan with a California license plate of 6CNV113. The vehicle's passenger side slider window is broken out and has black plastic covering it.

It is unclear at this time if any of the suspects are known to the victim or the motive for the original attack. At the time of this press release all four suspects and the stolen vehicle were still outstanding. Anyone with information regarding this case is asked to contact Officer Steve Collins at (707) 449-5200.
