Narrative:

Between October 15, 2009 and December 17, 2009 the Vacaville Police Department conducted investigations into several suspected acts of prostitution in the City. The type of enforcement actions used on these incidents was as varied as the reported problems. The goal of this type operation is to eradicate the illegal sex trade in the City of Vacaville. The following is a synopsis of our efforts:

On October 15, 2009 we conducted an undercover sting operation at a local massage parlor and arrested S-Lina Nguyen. S-Nguyen was arrested for the solicitation of prostitution at K & M Massage at 500 Merchant Street. A Safe Streets City Ordinance was also filed against the owner of the business.

On November 4, 2009 Detectives contacted a woman who was posting ads on the internet offering lewd acts for money. This woman and her husband operated a house of prostitution at an apartment in the 1500 block of Alamo Drive. An undercover operation was conducted and S-Christine Lamb was arrested for solicitation for prostitution. Her husband S-Samuel Lamb was also arrested for pimping his wife. S-Samuel Lamb is a sex registrant and was also charged for not updating his current address with the Police Department. The Vacaville Police are seeking felony charges against the couple as a result of the ongoing investigation into their illegal business.

On December 17, 2009 we conducted another undercover operation, this time focusing on the customers. Two men contacted an undercover officer posing as a prostitute. Both, "John's" paid an agreed upon amount of cash for a lewd sex act. The two were arrested and booked into county jail. Arrested for 647 (b) PC, prostitution were S-Denton Connor of Vacaville and S-

Criminal activity can be reported at www.cityofvacaville.com/departments/police, or you can call "Crime Stoppers" and leave an anonymous tip at 707-644-STOP (7867). Crime Stoppers may pay up to \$1,000 for information that leads to an arrest.

Robert Yard of Vacaville. We have attached booking photos of all the suspects named in this press release.

The Vacaville Police Department has a zero tolerance of this type of illegal activity. These crimes are sometimes referred to as being victimless, but this is not true. Many times the women who work in the illegal sex trade are themselves being victimized. It's also common to see an increase in other types of criminal activity when enforcement of prostitution is ignored. These types of crimes include drug use, drug sales, theft cases and assaults.

If you have any knowledge about this type of illegal activities please contact the Police Department at (707) 449-5200. You can always remain anonymous if you would like.
