**TWO INJURED IN EARLY MORNING TRAFFIC ACCIDENT**

A driver and his passenger were injured early Wednesday morning when the car they were in went off the roadway and struck a tree.

At approximately 12:04 a.m., Wednesday morning, Garrett Burns, 22, of Vacaville was driving his 2001 Monte Carlo north on North Alamo Drive near Aurora Way when he lost control of the vehicle. The car slid sideways into a parked truck, spun around and then struck a tree in the front yard of a home before finally coming to rest back on the street.

The passenger sustained minor injuries, while Burns's injuries were more substantial. Burns was transported to UC Davis Medical Center, and his condition at this time is unknown. While alcohol may have been a factor, the accident is still under investigation.
