THREE INJURED IN POSSIBLE GANG-RELATED SHOOTING

Three people were hurt Monday afternoon when two men walked up to a group of people standing outside a Vacaville home and opened fire.

A group of eight people, including two children, were gathered in the driveway of a home in the 100 block of Rocky Hill Road while one of the people washed his car. At that point two Hispanic males walked up to the group, and one of them opened fire. Three people were struck by gunfire, two seriously, while the rest of the group ran into a house and were not injured.

The two men then ran to a maroon or red Dodge Caravan and fled north on Rocky Hill Road and then east on Markham Avenue.

The most seriously injured victim, Jose Villasenor, 19, of Vacaville was taken by air ambulance to the UC Davis Medical Center with gunshot wounds to the torso.

The second victim, Edberto Flores, 21, of Vacaville was taken by ground ambulance to the UC Davis Medical Center in Sacramento with a gunshot wound to the torso.

The third victim, a 17-year-old female Vacaville resident, was taken by ground ambulance to Kaiser Hospital for treatment of a non-life threatening gunshot wound to her arm.

The suspects are described as:

1. Hispanic male adult, 19-20 years of age with a shaved head, no facial hair, 5' 10" tall, medium build, wearing a blue shirt, black pants, and a red belt.
2. Believed to be the shooter, Hispanic male adult, 19-20 years of age with either a shaved head or short hair, 5' 10" tall, medium build, wearing a black T-shirt, and black pants.

The weapon was an unknown caliber and type of handgun.

This case appears to be a gang related shooting and the Investigative Services Section (ISS) along with the Crime Suppression Team (CST) is conducting the investigation. Anyone with information is encouraged to call Detective Andrew Polik at 449-4724 or 449-5200.
