### **POLICE SEEK WITNESSES IN ACCIDENT NEAR LEISURE TOWN ROAD**

A woman was injured in an auto accident that took place early Monday morning in Vacaville.

At about 3:30 a.m. Monday morning, the California Highway Patrol (CHP) responded to a solo vehicle traffic collision with injury on Elmira Road just east of Leisure Town Road. CHP arrived and located a silver Mercedes with an injured female occupant.

CHP officers determined the collision was within Vacaville city limits and notified the Vacaville Police Department, which then took over the investigation.

Officers determined that the Mercedes was traveling westbound on Elmira Road. For unknown reasons, the driver lost control of the vehicle and slammed into a tree. The vehicle then overturned within a field on the south side of the roadway. The female occupant was transported by CALSTAR air ambulance to a trauma center. Officers later determined there was a second occupant in the vehicle who had left the scene prior to officers' arrival. That occupant has since been located and interviewed by officers.

This investigation is still ongoing to determine the driver of the vehicle and the cause of the collision. Anyone with information regarding this collision should contact Officer Andrew Talton with the Vacaville Police Department at (707) 449-5200.
