Narrative:

On January 10, 2012, at approximately 2:55 p.m., officers from the Vacaville Police Department responded to the 100 block of Arroyo Court regarding a report, via 911, that two people had been found in a vehicle and had sustained gun shot wounds.

Officers found a male (47 years old) and female (40 years old) inside the vehicle with fatal gun shot wounds. Detectives from the Investigative Services Section (ISS) and detectives from the Family Investigative Response Services Team (FIRST) responded to the scene. At this point in the investigation, it appears the incident may have been a murder and subsequent suicide by one of the involved parties. Both involved parties have had no prior contacts with our agency or a criminal history. The names of the victim and suspect are not being released at this time pending family notifications.

The case is being actively investigated and the department will release updated information as it becomes available. Detective Nathan Benevides is the lead detective in this case and can be contacted at (707)469-4724, if you have additional information or witnessed the incident.
